The Struggle

XO Stereo

If every memory fades away
Can we make this one last?
I keep searching for the words to say
To somehow change the pastA steady flow of lost emotion
Held back only by thread
It's not a matter of devotion
Maybe this is all inside my head?If I throw it all away
Will tomorrow become yesterday?
Should I run or should I stay?
Will I win or lose everything?Forgetting what was ever done or said
It's all too easy
But I don't know if this is good or bad
Can someone please tell meA steady flow of lost emotion
Held back only by thread
It's not a matter of devotion
Maybe this is all inside my head?
All inside my head...If I throw it all away
Will tomorrow become yesterday?
Should I run or should I stay?
Will I win or lose everything?Will I win or lose everything?Will I win or lose everything?If I throw it all away
Will tomorrow become yesterday?
Should I run or should I stay?
Will I win or lose everything?If I throw it all...all away....
It never gets easier to see
I don't know if I should run
I don't know if I should run awayWill I win or lose everything?
Or run away?I don't know if I should run
I don't know if I should run away...
