Sunset Marquis

Courtney Love

Follow me back to the Sunset Marquis
Lock ourselves into the room
Gamble it all
And lose it on me
Until the sorry end
Until it happens againand I can tell that we are never gonna be friends,
and I can tell that you're lost,
and I can tell that this is gonna have a bad end
But baby, you weren't worth the cost'til I'm black and blue
So cynical
Baby how'd you get so resigned?
I have walked through scorn and ridicule
How did I not see the signs?
Oh descend descend and go you must
and walk your walk of shame
but I will have my revenge
Oh I will have my revengeface down in front of the Sunset Marquis
you were the closest to God
we can do all the things that no one believes
people like us do, they haven't got a clueand i can tell this is some pleasure for my pain
set the fires and I'll just prayAnd it all blurs down
How cheaply
and how fast you'd sell your soul
That's the stupidest thing I have heard
Oh how low can you go
And I am not cripple any longer
Oh I can dance again
but I will have my revenge
oh I will have my revengelock ourselves into the sunset marquis
set the room on fire
play happy neighbors from bad families
oh baby you could move
you could light up the room
but the light's gone obscene
how you looked real to meAnd I can tell that you have come to burn me down
and i am at your feet in ashes
And this will end in tears with all lost and none found
it's just a story you can cash inAnd no one knows where we go
And I know that you don't care

But you are the overseer
Of the depths of my despairAnd it's glorious and dead
And I know that you aren't there
But you are the unfortunate
You're the depths of my despair
