All That

Jake Bugg

If I was a man
Who lifted his head
When times of heartache
Were holding him back from all thatWhen I was in New York
I met a girl
Left all her friends and she's running away from all thatShe ain't got worries
She lives by the ocean
And she's got all that
The one who is all that
Yeah, she's got all thatWhen I was in L.A.
She drifted away
She spoke of freedom, fame and all that
