Give Me Fire

Mando Diao

Jimmy, you never feared the life ahead
You never lived the life I gave you when I hold you
Daddy said you're gonna get it
You're gonna burn before the dawn
Your blood is poisoning your people, your own people
Your addiction in the one, the sweetest one
The precious one, oh, that freedom
So give me, give me fire
It doesn't always have to end
Oh Jimmy, Jimmy Fire
My love's with you till the end
My love's with you till the end
Coma, you're my brightest shining star
You're my darkness in the morning, winter morning
Crystal fly over the ceiling
Bugs my dreaming in the night
The man above decides my future where I'm destined
My addiction in the one, the sweetest one
My precious one, oh, that freedom
So give me, give me fire
It doesn't always have to end
Oh Jimmy, Jimmy Fire
My love's with you till the end
My love's with you till the end
Mama, why did you comfort him at night?
Did we forget that he was pure? How I miss him
My love's with him till the end, the sweetest end
My precious end, oh, my freedom
So give me, give me fire
It doesn't always have to end
Oh Jimmy, Jimmy Fire
My love's with you till the end
My love's with you till the end
My love's with you till the end
My love's with you till the end
Oh no, oh no, oh no, oh no
