

Co-Coward

Bettie Serveert

Tell me 'bout your youth
Ah, just tell the truth
Was it nice and smooth
Or was it a lieAnd when you were a child
Were you young and wild
Or just undefiled
Ready to cryIt should have been me
You should've believed in me
It's all in the way, you say
This doesn't happen every dayIt doesn't happen every day
Living in denial
Have you lost your smile?
Well, it takes a while
Before you'll forgive
