[Foreign Content]Do you wanna fuck right now?
(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)

I know ya man can't fuck like this
Go and lick into my mouth girl, betta don't kiss
But you can look at my dick
It ain't just low, girl, look at my whiff
Go ride on the tip
Just slide on down, girl, work them hips, work them hips
You can jump in the bed, girl, break this bitch
Let me pull your hair, slap your face
I'm feelin' real freaky, I might wanna taste
Do you wanna fuck right now?
(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Do you wanna fuck right now?

(A girl)
Let me see ya panties on the floor
(A girl)

Let me see ya panties on the floor
(A girl)
Go and get your best friend
I really wanna fuck her too
We can do it all night long
And if you want, girl, she can do you
Do you really wanna make me happy?
Then you can come and ride my pole
You can bring all your girls
I'ma make them all scream out, ohh
Do you like it when I grab your neck?
And squeeze it till your face turn blue
Could you please come and sign this waiver?
If you pass out girl you can't sue
Do you wanna fuck right now?

(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Do you wanna fuck right now?
(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Dick like a horse you can ride on now
This is what you get when you come down south
I said come down south
Don't trip on the first date, put it in your mouth
Uh, I like real rough sex
When you slide it down low but ya feel it in your neck
And I don't need no help
I can dig it all out, I'm a walkin' history
Do you wanna fuck right now?
(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)

Let me see ya panties on the floor
(A girl)
Do you wanna fuck right now?
(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Do you wanna fuck right now?
(Yeah daddy)

(A girl)
Let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Do you wanna fuck right now?
(Yeah daddy)
Well, let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Let me see ya panties on the floor
(A girl)
Yeah daddy, yeah daddy
