Little Life

Ruben Hein

When all of this
Makes the news
Will they remember to tell it right
Or will devils make off in the night
Can you tell me why
I got so high, I just fly

As she lays in bed
In her piece of ground
Will they remember how
Blessed soul
Or just that she lost all control
Can you tell me why she had to die alone

And people wake up
People get moving
There's a life waiting here
Get up
People start doing
There's a life waiting here

When all our time
Spent away
We remember the loves of our past
Or just that love never lasts
Can you tell me why
This little life goes so fast
