

Wrap It Up

Haymaker

Well, Iâ€™m leaving in the morning
And I donâ€™t know if Iâ€™m already gone
I just wanted someone to talk to
Wrap it up and take me home

Because Iâ€™m driving in the evening
And Iâ€™m thinking what was really wrong
I just wanted someone to talk to
Wrap it up and take me home

Na na nana na na
Na na nana na na
Na na nana na na naaaaa
Na na nana na na
Na na nana na na
Nana na nana na nana naaaaaa
