

Sacred Trickster

Sonic Youth

I want you to levitate me
Don't you love me yet?
Press up against the amp
Turn up the treble, don't forget
Getting dizzy, sitting around
Sacred trickster in another tight sound
I wish I could be music on a tree
Noise Nomads and me
Levitating on the ground
Uh huh, uh huh
Uh huh, uh huh
Uh huh, uh huh
Uh huh, uh huh
What's it like to be a girl in a band?
I don't quite understand
That's so quaint to hear
I feel so faint, my dear
Doing nothing, sitting around
Sacred trickster in another tight sound
I wish I could be music on a tree
Noise Nomads and me
Levitating, spinning around
