If Jesus

Marvin Morrow

If Jesus

How precious the promise,God made to me,
that from that old death curse, I could be free
But for that to ha_ppen, His son must go,
To the top of Gal_go_tha, let His life blood flowâ€¦

If Jesus had come down, from the old rugged tree,
If He had not loved, an old sinner like me..
If He had not given, all He had to give,
If He had not died, then I could not live.

What love and compassion, on Calvary that day,
As Jesus called â€˜Fatherâ€™ turned His face away,
10,000 angels, he could have called from the sky,
But He chose to stay there, that I would not die.

If Jesus had come down, from the old rugged tree,
If He had not loved, an old sinner like me..
If He had not given, all He had to give,
If He had not died, then I could not live.

If He had not died, then I could not live.
