Seven Hours

Miranda Lee Richards

For Seven Hours
Your feelin' just fine
In seven days
Everything has changedIn seven years
You're still on the run
From the voices inside
And you know it ain't rightWalkin' away
From the arms that held you in vain
Fadin' away like the lights of a leavin' train
In seven dreams the darkness surrounds you
And now you're flyin' so high
No one can touch youI watch you walk away
From the arms that held you in vain
Fadin' away like the lights of a leavin' trainOn a highway on a road to nowhere
You better beware
When the Ides call out your nameSha la la la la la la she was the sun
Sha la la la la la la now she's gone...Walkin' away
From the arms that held you in vain
Fadin' away like the lights of a leavin' trainOn a highway on a road to nowhere
You better beware
When the Ides call out your name
Oh I don't, no I don't wanna loose you
What would I do?
Oh I don't wanna' loose youFor Seven Hours, you're feelin' just fine
