Needle In The Hay

Bad Astronaut

Her hand on his arm is that charm around her neck
Strung out again, call in some friends trying to cash a check
'Cause I've been dumb that's what you've come to expectNeedle in the hay, needle in the hay
Needle in the hay, needle in the hayShe's wearing your clothes head down to toe and the auction of you
You said you know what he did to idiot kid who don't have a clue
Sometimes they just caught in the eye and pulling them throughNeedle in the hay, needle in the hay
Needle in the hay, needle in the hayNow on the bus nearly touching this dirty retreat, falling out six inch pallot
There's sweat in my teeth, I'm gonna walk walk walk four more blocks
'Cause the one in my brain chow downstairs see the manHe's gonna make it all look gay, I can't be myself I can't be myself
And I don't wanna talk taking a cure, so I can be quiet wherever I want
So leave me alone you oughta be proud that I'm getting these marksNeedle in the hay, needle in the hay
Needle in the hay, needle in the hay, needle in the hay
