Milord

Teresa Brewer

Come on, get wise, Milord
Her lips tell lies, Milord
The girl that you adore
Has found some other guyShe just got bored, Milord
Now you're ignored, Milord
Deep down inside, your pride
Won't let you say goodbyeThat Southern belle, Milord
Has got a heart of ice
Love can be done, Milord
As well as paradiseDon't count the past, Milord
Let her get lost, Milord
Her memory can be
A lifetime of regrets
So, let her go, Milord
Come on, relax, be smart
Cause if you don't, you know
She'll only break your heartCome on, get hip, Milord
And let life rip, Milord
Be sure there's plenty more
Of loving to be doneThere's chicks to meet, Milord
With lips as sweet, Milord
And hearts to make or break
Before the race is runSo hit the town, Milord
Come on and be my guest
We'll turn it upside down
And devil takes the rest
Come on, get glad, Milord
Life's not so bad, Milord
Some kinds of other arms
Can make your heart forget
Milord, Milord
