Babylon

Claas P. Jambor

So rest your head-
You're all mine.
And I stay awake,
I won't go home.
Let's go on a holiday.
To burn this town
She's my Babylon.

So rest your heart
You're all mine.
Because if you walk away,
I fall on down.
And bleed, red as blood-
Red as when.
She's my Babylon.

No I don't want to
See you go.
No I don't want to
Be alone.

So rest your hand
You're all mine.
I can't stay awake,
My eyes fall down.
Said I dreamed a dream
That you walk ÃƒÂ¢??round
She's my Babylon.

No I don't want to
See you go.
No I don't want to
Be alone
No I don't want to
Be alone.
No I don't want to
Be alone.
