Should I

Kohomua

Oh no, oh yea, oh
Sometimes my world's not turning
Wonder will my life
Just fade away, away yea
Situations grab my mind and
I can't see myself escaping
All the painShould I go
Far away?
Should I stay
Another day?
I need you now,
Take me
A miracle's
What I need
Should I go
Far away?
Should I stay
Another day?
I need you now,
Take me
A miracle's
What I needCloudy days bring salty rain back
Doesn't mean a thing
My life's in vain
I'm not sure I know this feeling
Some things just don't make sense
They seem so strangeI'm wondering
I'm wondering why
Inside tonight
Can't find my way
(Can't find my way)
It's so bad I
Oh I still cry
Don't understand
(Don't understand)
Why can't you see
I'm yearning for you
Don't walk away
(Don't walk away)

Please rescue me
From my mistakes
It's all I can takeShould I go
(Should I go)
Far away
Should I stay
Another day
(Another day)
I need you now
(Please take me)
Take me
A miracle's
(Cause a miracle
is what I need)
What I needShould I go
(Should I go)
Far away?
Should I stay
(Should I stay
another day)
Another day?
I need you now,
Take me
(Cause a miracle
is what I need)
A miracle's
What I needAt a crossroad
(At a crossroad)
Which way to choose
Can't figure it out
(Can't figure it out)
Can't make a move
(Make a move)
Tell me what am I supposed to do
I'm so confused
(I'm so confused)At a crossroad
(Tell me which way to choose)
Which way to choose
Can't figure it out
(Can't figure it out)
Can't make a move
Tell me what am I supposed to do?
I'm so confused
(I'm so confused)Should I go
Far away

Should I stay
(Should I stay
another day)
Another day
I need you now
Take me
(Take me)
A miracle's
(Is what I need)
What I needShould I go
(Should I go)
Far away?
Should I stay
(Should I stay)
Another day
I need you now
(I need you now)
Take me
A miracle's
(Is what I need)
What I needShould I go
(Should I go)
Far away
Should I stay
(Should I stay)
Another day
I need you now
(I need you now)
Take me
(A miracle)
A miracle's
What I needShould I go
(Should I go)
Far away
Should I stay
(Should I stay)
Another day
I need you now
(I need you now)
Take me
A miracle's
What I need
