Every Last Minute

Stretch Arm Strong

This world's surrounded by suffering
don't think you can't break free from it.
Sometimes I feel, and you'll see,
the harshness of reality.
You can always break free from it
to sit still and truly be.
Our time is endless
but we can't see each moment's grace and all its sensitivity.
We get cought, confused from the start
on the battlefield raging in our hearts.
There's no compassion for ourselves
and nothing left for anyone else.[Chorus]
Pushing forward to break through
our constant struggles with the truth
and the problems that we hideUnawareness leaves its stains
SENSELESS VIOLENCE AND THE PAIN.
I'M IM TRYING MY HARDEST
RECOGNIZE THE DESPERATION
IT'S THE FIRST STEP TO THE LIGHT.
LOOK INSIDE FOR INSPIRATION
IT'S THE FIRST STEP TO THE LIGHT.[Chorus]
Pushing forward to break through
our constant struggles with the truth
and the problems that we hide
