Angels

Augustana

Oooh Woahoh
Would I fight with an angel
Would I leave here with you
Or would I take it all back if
If I find something new?I know there's something out there
I know there's something I fear
Run away from here
I know there's something more to this
In this dark room, nothing that shines
Run away from hereWould I fight with an angel
Would I leave here with you
Or would I take it all back if
If I find something new?I'm falling, I am down
I've fallen, are you around?
And I know it's you
I'm leaving, I'm with me
I'm leaving, tell me the truth
And I know it's youWill I fight with an angel
Will I leave here with you
Will I take it all back if
If I find something newWould I fight with an angel
Would I leave here with you
Would I take it all back if
If I find something newOooh Woahoh (Repeat x15)Would I fight with an angel
Would I leave here with you
Would I take it all back if
If I find something newWould I fight with an angel
Would I leave here with you
Would I take it all back if
If I find something new
YeahWill I fight with an angel
Will I leave here with you
Will I take it all back if
If I find something new
YeahWould I fly with an angel
(Fly with you...)
Would I leave here with you
(Fly with you...)
Would I take it all back if

(Fly...)
If I find something new
(Fly...)Oooh Woahoh
