Fraud

Frenzal Rhomb

Why can't you see?
You shouldn't have
Generated all this bullshit
While you had the chanceThe power that you have is such a waste
No don't try to extend your hand
'Cause all I've got to tell you
Is that, I don't give a fuckIt's such a fraud, it is such a fraud
It is such a fraud, it is such a fraud
It is such a fraudWhen something hits you in the face
Maybe you would notice
If it hit below the waistPerpetuate, the tired and backward taste
Don't try to extend your hand
'Cause all I've got to tell you
Is that, I don't give a fuckIt's such a fraud, it is such a fraud
It is such a fraud, it is such a fraud
It is such a fraudWhy can't you see?
You shouldn't have
Generated all this bullshit
While you had the chanceThe power that you have is such a waste
No don't try to extend your hand
'Cause all I've got to tell you
Is that, I don't give a fuckIt's such a fraud, it is such a fraud
It is such a fraud, it is such a fraud
It is such a fraud, it is such a fraud
It is such a fraud
