# Blue Moon

## Rebecca Ferguson

Blue moon
You saw me standing alone
Without a dream in my heart
Without a love of my ownBlue moon
You know just what I was there for
You heard me saying a prayer for
Someone I really could care forAnd then there suddenly appeared before me
The only one my arms will ever hold
I heard somebody whisper please adore me
And when I looked to the moon it had turned to goldBlue moon
Now I'm no longer alone
Without a dream in my heart
Without a love of my ownAnd then there suddenly appeared before me
The only one my arms would ever hold
I heard somebody whisper please adore me
And when I looked to the moon it had turned to goldBlue moon
Now I'm no longer alone
Without a dream in my heart
Without a love of my own
Without a love of my own
Without a love of my own
