Hot Temptation

Bro'Sis

HOT TEMPTATION
It's show time
Makes us proud
No matter how deep you are in a crowd
Be shaking your thing like Mr. Brown
Break ya neck lay back and say it loud
It's Bro'Sis once again baby
Round 2 ding ding just in time lady
Hot temptation all night long
Till the break of dawnWhen the nightshift's taking over
No need to tell you "cause you'll know
When the girls are in the world is out
They've come to steel the show
The heels are high - my stile is wild
You're scared to come too close
And if you treat me like a lady
I need to let you knowI'm in it for the hot temptation
Sing it - feel it - Minute by Minute
I ai'n talkin' 'bout a sweet relation
Said it - get it - come onWhile the groove is getting deeper
And the lights are burnin' low
Got a feeling that we soon can't control
Now's the time to let go
Hot and steamy I know you can see me
Livin' out my dream
She is just an ordinary lady
Who likes to cause a sceneI'm in it for the hot temptation
Sing it - feel it - Minute by Minute
I ai'n talkin' 'bout a sweet relation
Said it - get it - come on
I'm in it for the hot temptation
Sing it - feel it - Minute by Minute
I ai'n talkin' 'bout a sweet relation
Said it - get it - come onHot temptation knowin' what it is
Bring an new breeze style the music buisiness
Jumpin' all about when the nightshift's over
Grab you a girl and scream HO
We beg the saiznitz
Runnin' with the nubiz

Y'all gotta roll with this
rough sometimes we come thru
Comin' thru 2 captures
With them heard stix
Steppin' up we be Bro'SisPigidipass the mike to me
GIOs in the place to be
For real all rights deserves by my boys and girls
Bro'Sis is the name
Making rumble in the jumble
Like the king and say HEY HEY HEY
I got to pick up
Can I pick you up and stay stay
your heels are high but I got style what
Tonight is the night
Give it up for the hot temptationI'm in it for the hot temptation
Sing it - feel it - Minute by Minute
I ai'n talkin' 'bout a sweet relation
Said it - get it - come on
I'm in it for the hot temptation
Sing it - feel it - Minute by Minute
I ai'n talkin' 'bout a sweet relation
Said it - get it - come on
