

Bones

Gob

I've been through here many times
But you've locked the door, you wanted more
Should have seen this coming
My picture's off the wall, with no phone call
Bones and broken homes
Bones and broken homes I've been through here many times
But the path is gone, there's something wrong
Didn't leave a letter
When you wrote me off with no phone call
Bones and broken homes
(No where to lie down)
Bones and broken homes
(Just rest my eyes now) Bones and broken homes
(I'll be alright, yeah)
Bones and broken homes
(Yeah) I've been through here many times
I've been through here many times I've been through here many times
I've been through here many times
I've been through here many times
I've been through here many times Bones and broken homes
(No where to lie down)
Bones and broken homes
(Just rest my eyes now) Bones and broken homes
(I'll be alright, yeah)
Bones and broken homes
Bones and broken homes
