Invisibly Shaken

Rodney Atkins

Advisory - the following lyrics contain explicit language:

My friends say theyre proud of me
For takin' our break up so casually
But they dont see what lies beneath my smileIt appears that Im okay
And I moved on when you walked away
But the truth is since you said goodbyeI'm invisibly shaken and quietly breakin
Desperately takin one breath at a time
Beneath this composure, I know its over
Baby, Im dyin' 'cause you cant be mineBut I will never show the toll its taken
'Cause Im invisibly shakenIf it looks like I dont care
And its not killing me seein' you here
And hearing you say, you wanna try us againBelieve me, it aint easy bein' this cool
But too many times, girl, Ive been your fool
And I know Id just end up here againInvisibly shaken and quietly breakin
Desperately takin one breath at a time
Beneath this composure, I know its over
But baby, Im dyin' 'cause you cant be mineBut I will never show the toll its taken
'Cause Im invisibly shakenBaby, Im dyin' 'cause you cant be mineBut I will never show the toll its taken
'Cause Im invisibly shaken
