See the Light Shining (2009 Remaster)

Saxon

When you're dyin', when you're dyin'
There ain't no use in cryin'
I'm gonna keep on livin' 'till the light
Shines down on you
Burnin' right in
Ya can't stop when you're winning
I'm gonna show my hand make historyShow me the way
Show me the way
Show me the way
Show me the way
Show me the way
Show me the wayI'm dyin', I'm dyin'
There ain't no use in tryin'
I'm gonna keep on livin' 'till the light's
Shining down on you
Burnin' right in
Ya can't stop when you're winning
I'm gonna show my head make historyShow me the way
Show me the way
Show me the way
Show me the way
Show me the wayShow me the way
Show me the way
Show me the way
Show me the way
Show me the wayI can see the light shining
It's shining down on me, yeah
I can see the light shining
It shines on you and me, yeah, you and me
There's a new day dawning
It's here to set me free, yeah
I can see the changes coming
It's coming over me, over meI can see the light shining
I can see the light shining
I can see the light shining
I can see the light shining
Shine on, shine on
