Illusion

Ross Lynch

I'll be your entertainer
I'm puttin on a show
I'm gonna levitate ya
Leave ya
Wa- Wa- Wantin more
I see you fascinated
I've got you hypnotized
White gloves, what you dream of
A fantasy before your eyes
Chorus (don't say the word chorus thats just saying what this part is)
Step right up on the stage
Free yourself from the cage
Pick a card and guess it girl
Here's a lesson girl
It's just an illusion
1-2-3... I disappear
I'm coming right back, so stay right here
Ani't no second guessing girl
I'm impressing girl
But I'm just an illusion
Ohhh... uh, listen

(end of chorus)
I aint no fake houdini
I put a spell on you
I'm somethin like a geni
Girl I make your wish come true
And now our time is runnin
With every grain of sand
So here's the grand finale
Watch me do my sleight of hand
Chorus(stop at illusion)
Somewhere in a dream
In a dream
We'll meet again my baby
And I promise that I won't disappear
I'll be right here
And I won't be won't be won't be
Just an illusion (yeah, baby)

Chorus 2 times
