Happy

Naia Kete

I could be make believe
And let it be all you see
Cover up the best me
And just keep cryin
I could fight a war inside
Walk around mad at life
With you is to be alive
As if I was dyingBut i'm gonna sing out loud
Keep my head above the clouds
Be everything I am right now
I'm gonna keep laughing
Gonna lose my shoes and dance
Ain't afraid to wave my hands
Gonna leave it all up to chance
I'm gonna be HAPPY
(ohhhhh oohhhh)I could blame everyone
For everything I've never done
Well maybe I'm the reason whoa oooh
Why the rain kept falling
I know i could turn it all around
The sun is coming out yeah
and the world keeps calling me to...Sing out loud
Keep my head above the clouds
Be everything I am right now
I'm gonna keep laughing
Gonna lose my shoes and dance
Ain't afraid to wave my hands
Gonna leave it all up to chance
I'm gonna be HAPPY
No, no, no, no, no, no nooooooooooo, yeahOh whoa oh oh
Yeah yeah yeah
Oh whoa oh oh
Yeah yeah yeahThis life is yours so take it
You've got the choice to make it
HAPPY, HAPPY, YEAH
This life is mine i'll take it
I'l take it
whooooooooooooa(chorus till end w/ ad libs){
