Ring-A-Ding-Ding

Appleton

I can't believe the things I'm hearing
Are you leavin' me?
Stand up and be the man that you
That you claimed to beI think it's great that you've left me
The last to know
And it will come back to haunt you
'Cause you let me goI've taken pleasure knowin' that you
Never really knew me at all
All the nights I've waited at home by the phone
Hoping it will ring ding-a-ding-ding-a-ding-dingRing a-ding-ding-ding
The rhythm goes
Ring a-ding-ding-ding
The rhythm goesNow I'm singing a different song
Waiting all night long
'Cause my love for you is goneI think it's funny knowin' that you
Never really knew me at all
All the nights I've waited at home by the phone
Hoping it will ring ding-a-ding-ding-a-ding-dingRing a-ding-ding-ding
The rhythm goes
Ring a-ding-ding-ding
The rhythm goesRing a-ding-ding-ding
The rhythm goes
Ring a-ding-ding-ding
The rhythm goesNow I'm singing a different song
How could you do me wrong?
My love for you is goneIt all sounds the same
Like the cold winter rain
That keeps on falling
DownNow I'm singing a different song
Waitin' all night long
My love for you is goneI'm singing a different song
'Cause you did me wrong
My love for you is goneI've taken pleasure knowin' that you
Never really knew me at all
All the nights I've waited at home by the phone
Hoping it will ring ding-a-ding-ding-a-ding-dingRing-a-ding-ding-ding
The rhythm goes
Ring-a-ding-ding-ding
The rhythm goesRing-a-ding-ding-ding

The rhythm goes
Ring-a-ding-ding-ding
The rhythm goesI think it's great that you've left me
The last to know
And it will come back to haunt you
'Cause you let me goI think it's great that you've left me
The last to know
And it will come back to haunt you
'Cause you let me goI think it's great that you've left me
The last to know
And it will come back to haunt you
'Cause you let me goI think it's great that you've left me
The last to know
And it will come back to haunt you
'Cause you let me go
