Walking and Thinking

Ra

From the air I see your loneliness
You carry on despite your fear
Inside a box you keep your sanity
And it will never seem clear to meOver the hills the light it flows it shows the angels laughing
Where is the love that we're supposed to find
Lost in a maze of games so very dark and overwhelming
Lost in these thoughts that seem to rule my mindA simple spell cast is broken through
The force of life decides to bend
You lay below the sacred stormy sky's
And you will write the end for meOver the hills the light it flows it shows the angels laughing
Where is the love that we're supposed to find
Lost in a maze of games so very dark and overwhelming
Lost in these thoughts that seem to rule my mindYeah
OhDoor close and I will be denied
A dagger thrust into my chest
You claim yourself to the victory
But it is I who will rest in peaceOver the hills the light it flows it shows the angels laughing
Where is the love that we're supposed to find
Lost in a maze of games so very dark and overwhelming
Lost in these thoughts that seem to rule my mindOver the hills the light it flows it shows the angels laughing
But where is the love that we're supposed to find
Lost in a maze of games so very dark and overwhelming
Lost in these thoughts that seem to rule my mind, my mind
