

# Are You Satisfied

## Ras Shiloh

Oh well now, o well now, yeaah ohhh Oh Shiloh wants to know, wants to know ooh (Chorus)

Are you satisfied

wipe the tears from your eyes,

Im all alone still you thought,

I was telling a lie.

Are you satisfied no ones with me tonight, only Jah and he is always by my side? (Verse 1)

Pretty little woman dont you trust me no more?

You dont have to break down my door,

Im all alone.

Come inside and you will see,

theres no one here but me,

told you Ill still be over,

still you refuse to believe. (Chorus)

Are you satisfied

wipe the tears from your eyes,

Im all alone still you thought,

I was telling a lie.

Are you satisfied no ones with me tonight, only Jah and he is always by my side? (Verse 2)

Girl you know I love you so,

I cant hurt you no no no no,

want you do what Jah say,

I wont desert you no way,

you will over stand as Jah (provide?) oh ayy (Chorus)

Are you satisfied

wipe the tears from your eyes,

I'm all alone still you thought,

i was telling a lie.

Are you satisfied no ones with me tonight, only Jah and he is always by my side? Lay a virtue, how could I ever

leave you?

A virtuous woman is so (ohh?)

Always be by your side,

that I can not deny,

you wont ever have to cry-y. (Chorus)

Are you satisfied

wipe the tears from your eyes,

Im all alone still you thought,

I was telling a lie.

Are you satisfied, no one is here with Ras Shiloh tonight, only Jah and he is always by my side? Pretty little woman dont you trust me no more?

You dont have to break down my door,  
Im all alone.  
Come inside and you will see,  
Theres no one here but me,  
Told you Ill still be over,  
Still you refuse to believe.(Chorus)  
Are you satisfied  
wipe the tears form your eyes,  
Im all alone still you thought,  
I was telling a lie.  
Are you satisfied, no one is with me tonight, only Jah and he is always by my side?
