[Verse 1]
I honor my word as me I will put myself on the top
Of my own totem pole I know my soul it will let me drop
Like diddy n biggy baby I wont stop, no I wonâ€™t stop
Call me a firecracker now youâ€™re after all I got
Writtin to my very own chapter delete the rapture and that big crock
Of shit wonâ€™t quit youâ€™ll see planting my seed I reap and sow
Wont quit this bitch read palms Write songs about all that I know
But see I am not concerned bout what Ive not learned I burned it all
Cause you know thereâ€™s work to do
Many mothafucker got it worse than you
Its time to make the rainbow crew
Let me see that a calm leader come through
I am a reflection of yes your are quite badass too
Oh yes a leader youâ€™re a teacher
mixed me in your beaker

[Chorus]
The clock ainâ€™t ticking the worlds transformed
now see it with me you have been warned
Takeover inside, release that stale mind
And start a new, then monkey see monkey do.
See No Evil
monkey do
Here No Evil
then monkey see monkey do
Speak no evil
monkey do
You were never evil
Then Monkey See Monkey Do

[Verse 2]
Rainbow warrior we all are here
The prophecy says the time the it is near

So not itâ€™s on weâ€™ll rock some worlds
Join me and my nakturnal girls
Know deep inside you hold the key
Your DNA of destiny
Set forth by elders working hard
To restore the freedom of our star
So many ancestors remain
They need us to make right their name
Release the words that say that you
Are not perfect, powerful
You know we need you just like I need my breath
You make us see right thru into our own oceans depth
And when you leave me feels my own death
We are together its forever We are a team, my friend.

[Chorus]
The clock ainâ€™t ticking the worlds transformed
now see it with me you have been warned
Takeover inside, release that stale mind
And start a new, then monkey see monkey do.
See No Evil
monkey do
Here No Evil
then monkey see monkey do
Speak no evil
monkey do
You were never evil
Then Monkey See Monkey Do

[Monkey Madness Breakdown]
(Weâ€™re gonna win)
See No Evil
Here No Evil
Speak no evil
You were never evil
Then Monkey See Monkey Do

[Chorus]
The clock ainâ€™t ticking the worlds transformed
now see it with me you have been warned
Takeover inside, release that stale mind
And start a new, then monkey see monkey do.
See No Evil
monkey do
Here No Evil

then monkey see monkey do
Speak no evil
monkey do
You were never evil
Then Monkey See Monkey Do

Then Monkey See Monkey Do
