Up like Donald Trump, up, word?
Up, up, up, upUp like Donald Trump (up)
Chain swings like nunchucks
She gon' chew you up, yeah
Twerk like she from Russia
Don't get me wile'd up (up)
Soldiers at a 10 hut
Look what you've don' done (up)
Now you've done fucked up, upUp like Donald Trump (up)
Chain swings like nunchucks
She gon' chew you up, yeah
Twerk like she from Russia
Don't get me wile'd up (up)
Soldiers at a 10 hut
Look what you've don' done (up)
Now you've done fucked up, upRead my lips, I do my own stunts
Bitch wanna go on a date
Pull up to Suntrust
Wear my hat to the front, yeah
Like I drive a truck
Like I drive a truck
All white Bentley truck
ATM go nuts
I do what I want
I say what I want
I grew up on Pac
Kush smell just like must
Turn it into dust
Man my style is tough
Y'all huffed all that puss
Twerk like she from Russia
Try hard not to love her

But she so damn bad
I might have to cuff her
Rock like Billy Ray
That's a nigga idol
Forbes list, Forbes list, Forbes list, Forbes, read it like the BibleUp like Donald Trump (up)
Chain swings like nunchucks
She gon' chew you up, yeah
Twerk like she from Russia
Don't get me wile'd up (up)
Soldiers at a 10 hut
Look what you've don' done (up)
Now you've done fucked up, upUp like Donald Trump (up)
Chain swings like nunchucks
She gon' chew you up, yeah
Twerk like she from Russia
Don't get me wile'd up (up)
Soldiers at a 10 hut
Look what you've don' done (up)
Now you've done fucked up, upUp like Trump, all of a sudden
Solo cup when brought to the public
Balmain's clean as a whistle
Green ain't the issue
Lil bit of money make a difference
Nothin' is somethin',Â it's so hard to function
With all of these hoes in the house
Fuck y'all social, my blood still rushin
My hearts still thumpin'
Up like Trump
Kickin' like Ike
Got bitch twerkin' on Skype
MGM every night
Sremm at the door
King of the swipe
Mu'fuckers worry bout' lice
Only bitches, they ain't got a single dollar,Â or a nickel
They ain't even got a penny, for the strippers
And they wanna pop bottles, like winners
Check my pedigree I always been a money fiend
All these fuckin' rings I'm shinin' like a fuckin' king
Breakin' down the kush, don't it look so plush?
Take a couple puffs, I'm like Donald Trump, up!Up like Donald Trump (up)
Chain swings like nunchucks
She gon' chew you up, yeah
Twerk like she from Russia
Don't get me wile'd upÂ (up)

Soldiers at a 10 hut
Look what you've don' doneÂ (up)
Now you've done fucked up, up
Â
Up like Donald Trump (up)
Chain swings like nunchucks
She gon' chew you up, yeah
Twerk like she from Russia
Don't get me wile'd up (up)
Soldiers at a 10 hut
Look what you've don' done (up)
Now you've done fucked up, up up
Up like Trump
