Engine Storm, Earth Reborn
Catapillar Never Settling Down
Concrete Cancer In Your Empty Town
Brain - Ticket Brought Me To...Hallow Ground
(II. Doomed Man)
I Am Society, The Ghoul Of All Mankind
I'll Crawl All Over You & Numb You Deep Inside
I'll Eat Your Silver Cross, Behind It You Can't Hide
Stone Will Become Of You, Withered Shall Be Your Pride
Angels I've Chased Away, Now Demons Pull Your Mind
Closer Toward Your Prize Of The Hell In Which I Entice
In My Infernal World All Wealth You've Sacrificed
The Clay Has Formed - It's Too Late To Meditate & Exorcise...
(III. Along The Tranquil Riverbanks)
Blind Reality I've Seen And Cast Away
I Am A Child From The Forest Of Dismay
Ancient Deities Are Screaming Out My Name
From The Splendour Of The Inland Waterways
(IV. Drifting Through Neptunes Veins)
(*)
Golden Horses Pull My Chariot
Black Angels On The Viaduct
(**Shattered From Refrain)
On The Hill The Dark Horse Stands, Softly Calling You
Underneath The Blood Red Moon, Frost And Fire Gloom
Usurper Of Lost Innocence, Magic, Iron & Stone
I'm The King Of The Dead, With One Foot In Hell
Awaiting To Greet The "Red Turd Upon The Horse Shouting Tally Ho!"
(***Chilled Again...)
Here We Come Entranced By The Mellow
Hey! Ho! It's The Man With The Silver Pipe!!!!
(****Shattered Again!)
Headblaster Of Reality, Evil Priest From Hell
Unveils Endless Solitude With Pink Misery Snow

After And Forever In Eternal Loch Ness
Clouds Of Dirty FX Sex Drive Cemetery
Wally's Waltz
(*****Templars Interlude)
"We Are Not The Living, We Are The Dead, We Offer What You've Given"
Not The "Majestic Elegance Of The Gracious Swan....."
(V. Rocket Launch Wizard)
Interrupted By A Needy Stop At The Purple Ale House
.... The Wizard Returns! $A%$(~* ! ! ! ! ! ! !
(VI. The Drifters Theme)

And Why Not Forget Yourself - Why Not Forget Your Name?
