Blind as Night

Team Me

Blind as nightPut me to sleep
Take off all my clothes
My body is burningwon't get far
my body is burningI never learn when the fever runs high
There's no place to hidebut at least I know
what I wanna throw away
Hey!Blind as night
Nothing left to sayBlind as nightPut me to sleep
Take off all my clothes
my body is burningwon't get far
this body is burningI toss and turn
I never learn
when the fever runs high
there's no place to hidewhat I'm looking
but I least I know
what I wanna throw away
There's no place to hide???
what I'm looking for
but at least I know
what I wanna throw away
