Holy Spirit

Nate Sallie

More than just a moment in history
More than just an experience that I seek
Yours is a friendship that lasts forever
And every day I hear you speakMysteries revealed each day
Hidden treasures found in faith
You are the fire sent down from heaven
Until I see you face to faceI will run to You
And Your words of truthHoly Spirit come
Come and fill me with Your love
Move inside of me, fill the air I breathe
And holy Spirit come, fall on meConversations run so deep
Spoken promises from the King
And I never want to leave Your presence
You're all that I needSaturate every move I make
So I'm filled with what I crave
And open my eyes to the pathways ahead
And every step that I takeAnd I'll run to You
And Your words of truthHoly Spirit come
Come and fill me with Your love
Move inside of me, fill the air I breathe
And holy Spirit come, yeahWalk with me, tell me secrets of His Majesty
Pour on me, visions and dreams
I want more than just a little bit of everything
I want all You're saying so I'm praying, yeahHoly Spirit come
Come and fill me with Your love
Move inside of me, fill the air I breathe
And holy Spirit comeMove inside of me, fill the air I breathe
Holy Spirit come, yeah
Fall on me
