Running with Scissors

I See Stars

The truth cannot be anymore clear
And I'm not asking to hold on
it's everything that you ever feared
I know you're trying so hard to move oneIt kind of feels like someone replaced the heart that was once yours
I'm trying hard to be someone but falling short of the person I want to be
I want to be
So I'll pretend I'm letting go
While you're dancing in the past without colorsYou'll be the one
Running away in my nightmares
I'm letting go
You said you'd never ever look back
You'll be the oneRunning away in my nightmares
Trying hard to be someone
But falling short of the person I want to be
Trying hard to be someone
But falling short of the person I want to beRunning Running Running x4
The truth cannot be anymore clear
And I'm not asking hold one
It's everything that you ever feared
So I'll pretend I'm letting go
While you're dancing in the past without colors
You'll be the one
Running away in my nightmares
I'm letting go
You said you'd never ever look back
You'll be the oneI want to be x 3
It kind of feels like someone
Replaced the heart that was once yours
I'm trying hard to be someone
So I'll pretend I'm letting go
While you're dancing in the past without colors
You'll be the one
Running away in my nightmares
I'm letting go
You said you'd never ever look back
You'll be the one running away in my nightmares
