

Things

Ash

Hey Well, talk to me

Whisper in my ear

Be quiet

Don't let anyone else hear [x2-all][Chorus:]

Don't you think they want me for it?

Can't you see they arrested me for it?

I just hope they don't need me for it

Birds and bees will soon be falling now

We found out

We found out

We found out Wrong direction

Silly alien

Made a promise

To a young man [x2-all][Chorus] We all love

We are not proud of that

We all wish we had a silly hat [x2-all][Chorus without we found out.] Johnny and Clyde will dance with me for it

Sarah and Eileen would kiss me for it

Sue and Joanne will kill me for it

Richard and Larry will pay a lot for it

Malcolm and Alan might have drugged me for it

Mum and Dad will love me for it
