Holding On

Matthew Mole

I'll look into the light
The promises you've made
Have shown me
How to practise trust
Because everything you've
Laid before me
Now. I hold on to you
You see me now
I look up to youI'm holding on
I'm holding on
When you speak
Like yesterday
I'm holding on
And all of this pride will be
Pushed to the side because
I look to you
I'm holding on
People try to run, but
I have so much fun
Left in me
I've never felt so strong
And when I see your heart
You'd shown me
How to hold on to you
You see me now
And I look up to youI'm holding on
I'm holding on
When you speak
Like yesterday
I'm holding on
And all of this pride will be
Pushed to the side because
I look to you
I'm holding on
You, you see me now
You call me out
You call me nowI'm holding on
I'm holding on
When you speak

Like yesterday
I'm holding on
And all of this pride will be
Pushed to the side because
I look to you
I'm holding on
