Fallacy Dominion

Napalm Death

Redress effects of past and current discrimination
Intention to promote access to education
Equality, employment, public institutions
Meekly lamenting racial group victimizationIntent to destroy traditionalist opinion
In whole or in part, this fallacy dominion
Intent to destroy by reverse definition
Intent to destroyLong, arcane sliding scale on the population
Rubbishing preferential treatment accusations
An accomplishment to live and learn
In my opinionIntent to destroy traditionalist opinion
In whole or in part, this fallacy dominion
Intent to destroy by reverse definition
Intent to destroyIngrained affirmative action
Dismays conservative factions
Ingrained affirmative actionPrevention is better than a cure
However obvious or obscure
Prevention is better than a cure
However obvious or obscureQuick degradation
At the root and inciting violence
Encouraged prejudice towards ethnic appearance
Oppose the hierarchical machine
Oppose dominanceIntent to destroy traditionalist opinion
In whole or in part, this fallacy dominion
Intent to destroy by reverse definition
Intent to destroyIngrained affirmative action
Ingrained affirmative action
Ingrained affirmative action
Ingrained affirmative action
Ingrained affirmative actionPrevention is better than a cure
However obvious or obscure
Prevention is better than a cure
However obvious or obscureProtest old punishments, free from harassment
Fresh ideology breaks model society
Burning resentment, departing conformity
Inflicted confinement, created anxietyIngrained affirmative action
Ingrained affirmative action
Ingrained affirmative action
Ingrained affirmative action
Ingrained affirmative actionPrevention is better than a cure

However obvious or obscure
Prevention is better than a cure
However obvious or obscure
