

I Wish You Would (2015 Remastered Version)

David Bowie

Early in the morning by the break of day
That`s when my baby went away
Come back baby I wish you would
This crying and grieving won`t do me no good
Hugging and a-kissing, late at night
You know pretty baby it feels just right
Come back baby what you`re trying to do?
Turning on me and some other men too
Come back baby give me one more chance
You know I still love you gonna give you romance
Yeah, romance all night long
In my arms, oh yeah
Early in the morning by the break of day
That`s when my baby went away
Come back baby I wish you would
This crying and grieving won`t do me no good
Hey pretty baby I love you so
You know pretty baby it hurts me to see you go
Oh yeah oh yeah oh yeah oh yeah oh yeah oh yeah oh yeah
