I Will (Encore)

John Holt

Who knows that I have found you
Will know I love you still
Will I wait a lonely lifetime?
If you want me to I will
I willFor if I ever saw you
I didn't catch your name
But it doesn't really matters
I will always feel the sameLove you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apart
And now at last I find you
Your song will fill the air
Sing it loud so I can hear you
It's not easy to be near you
But the things you do that brings me to you
Ah, you know I will
I willLove you forever and forever
Love you with all my heart
Love you whenever we're together
Love you when we're apartFor when at last I find you
Your song will fill the air
Sing it loud so I can hear you
It's not easy to be near you
For the things you do that brings me to you
Ah, you know I will
I will
Love you forever and forever
Ah, you know I will
Love you forever and forever
Ah, you know I will
