23 (feat. Sasha Dobson)

Highly Suspect

I'm headed away from home
All alone
Where I stop nobody knows
And they don't
Need to knowI get where I'm going,
I'm goneNo stranger to the danger
No stranger to the game
Now everyone's a stranger
But who cares?
That's why I cameI'm going further
Than I ever even knew
I'm going somewhere
I swear I'll head anywhere
But I'm going nowhere fast with you
It's the season
It's the season of the sun
(Season of the sun)
And I'm on the runYou thought I couldn't disappear?
No? Ha
It isn't what you think anymore
And I just had a little bit of tequila
So see ya
I'm out the doorI never had another reason to
Leave it all behind yeah
I'm never looking back again
I'm headed to another fucking dimension
Did I mention?
I'm never looking back againI'm going further
Than I ever even knew
I'm going somewhere
I swear I'll head anywhere
But I'm going nowhere fast with you
It's the season
It's the season of the sun
(Season of the sun)
So gimme the gunWhen I find what I want
Oh (oh) (oh)
I will be out the fucking door
You can keep whatever's left

Because I've had it all beforeI'm going further
Than I ever even knew
I'm going somewhere
I swear I'll head anywhere
But I'm heading nowhere fast with you
It's the season
It's the season of the sun
(Season of the sun)
And I'm on the run
