Ja Rule

You doin' their work for them
You know why, do you know why?
'Cause you're happy just to be a mother **** ****It's plain to see, you can't change me
'Cause I'm a be a **** for life
It's plain to see, you can't change me
'Cause I'm a be a **** for lifeFor life we gonna be ****
**** the world, it's yours my ****
Load the nine and blaze my ****
Yeah, 'cause I'm a **** for lifeWho's that chipped out, twenty one year old, hot commodity
Comin' out of a bum deal lottery, with a flow like sodomy
Put it on your **** quite properly
I suggest you keep all eyes on meAnd don't sleep as it is I'm highly critique
****, money, murder it's part of my mystique
You feelin' me this here is one of queens elite
Predecessor of the street, while you munch I eatJA's here, the **** you love but still fear
I done been there done that, now ****, it's my year
I can leave you on the clear view if you ain't yet clear
Matter of fact if you breathin' be glad you got airShut the **** up when grown folks are talkin' you hear
Or get your **** blown baby from mouth to ear
Don't fear when you smoke weed and **** your wife, why?
'Cause I'm a **** for lifeFor life we gonna be ****
**** the world, it's yours my ****
Load the nine and blaze my ****
Yeah, 'cause I'm a **** for lifeFor life we gonna be ****
**** the world, it's yours my ****
Load the nine and blaze my ****
Yeah, 'cause I'm a **** for lifeSpare yourself the reality of an *** whippin'
That I'm givin' when I be gettin' tight and start flippin'
On your **** **** **** two like four minutes, ciphers
It gets me hyper, want the real I'm a slice ya, light ya**** up with sixteen or more slugs
Comin' from my snub nose bull dog
Raw, to the core let's lay down some laws
This is JA's house, bow down or bring the war, mother ****Ya'll don't want to touch what's hot
Whatever it be the mic, the glock, drug spot
Like a **** you scared of life and takin' chances
And right now you showin' more *** then an exotic dancerThe answer is this, **** don't wanna touch
JA life's stronger then a **** coke rush
See on the streets we be killin' **** like cash
And you heard I.N.C. **** it's murdaIt's plain to see, you can't change me

'Cause I'm a be a **** for life
It's plain to see, you can't change me
'Cause I'm a be a **** for lifeFor life we gonna be ****
**** the world, it's yours my ****
Load the nine and blaze my ****
Yeah, 'cause I'm a **** for life****, I live amongst thorough breads who's raised to blaze lead
If you get shot play dead and put two in his head
I'm known to pasteurize and criticize a **** size
Look him right in the eyes and leave him dead where he liesWe come through mobbin' like Crips from Compton
We're all in burners and all sippin' on gin
**** Flossin', **** I'm tossin' iron
And if you ain't buyin' then you're dyin' from denyin', I'm so inspirin'To the youth, see I'm settin' it strait
Lettin' them know never to step on nothin' less then an eighth
And the longer it takes, somebody is gonna die for it
The streets is watchin', Jigga warned you don't ignore itIt's only **** holdin', go JAP and blow yen
With the six double strait out of the pin
Brandishin' the steal for the ice
Holdin' my ****, talkin' ****, shootin' dice, a **** for lifeSo whatcha sayin' is, what the **** is a ****?
Rob a ****, slap a **** all that ****For life we gonna be ****
**** the world, it's yours my ****
Load the nine and blaze my ****
Yeah, 'cause I'm a **** for lifeFor life we gonna be ****
**** the world, it's yours my ****
Load the nine and blaze my ****
Yeah, 'cause I'm a **** for life
