Light

Matthew Mole

I know I
The way I am and the way I think I want to be
Isn't right
I hear You speak but only listen selfishly
And I think I'm right
But all I do is circle curiosity
And I hear the lights
But if I listen openly You set them freeHeal my broken heart
Heal my broken heart
And I'm falling away
And I'm falling away
When I'm looking up into the light
Heal my broken heart
And I open my eyes
I hear Your voice, I see Your face, I feel Your love
And I couldn't fight
The power in Your promise
I will take hold ofHeal my broken heart
Heal my broken heart
And I'm falling away
And I'm falling away
When I'm looking up into the light
Heal my broken heartI'm running away
But I want to be never afraid
And hold onto
Whatever You say 'cause I'm falling down down down
I'm running away
And I want to be never afraid
And hold onto
Whatever You say 'cause I'm falling down down downHeal my broken heart
Heal my broken heart
And I'm falling away
And I'm falling away
But I'm looking up into the light
Heal my broken heart
