Pak Man

Yung Joc

See in my hood, we got monkey bars and candy cars
I'm the man right here, everybody know my name in my hood
They call me Pak Man, shorty
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
Shorty, I'm the man and everybody know my name
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
Yeah, they call me Pak Man and everybody know my name
Yeah, let me introduce myself, they call me Pak Man
I makes it all about your cash man, get it by the pack man
See me on the block, throw the deuce or give me dap, man
So how you rock your 850, I rock it to the back, man
Chevy sittin? tall, deuce deuce dubs plus
Sittin? on the phone book just to throw the deuce up
So who's the number 1 stunna in your hood
Everybody know my name, Pak Man, it's understood
So where you from? Westside, and that College Park
So what you do? Yeah, I gets money from dusk to dawn
So how you ball? Magic City, yeah, blow a thousand ones
So how you shine? Candy paint, oh my God, it's like the sun
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man

Matter of fact, that's the cat, who taught me Hustlenomics
Hustlenomics, yeah, I almost forgot, forgot what?
Everyday I'm hustlin? like Rick Ross, ha

I'm so clean, I like to make my shoulder lean
Like Young Dro, my Rover lookin? like po'k & beans, wow
I'll lay you down, lay you down for them 23's
In my hood just like Ball and JG
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
Shorty, I'm the man and everybody know my name
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
In my hood I?m Pak Man, my hood, I?m Pak Man
Yeah, they call me Pak Man and everybody know my name
Aye, I pull up on the shine, cut it to the left
With the top dropped down everybody lose their breath
Y'all haters know my name, so won't you quit playin??
Take a look at my two step, now what you sayin??
Let me see you, Pak Man, won't you do the Pak Man
Let me see you, Pak Man, won't you do the Pak Man
Let me see you, Pak Man, won't you do the Pak Man
Won't you let me see you do the Pak Man, Pak Man
Yo, I guess y'all thought I couldn't do it
Because I wasn't but yay high, and only so old
But I was always told, man, do what you do
And you'll be okay, y'all drop the hook for 'em
