In Love

De Indispensables

Oh
I can't hide hide no more, the way I feel about you,
It's been going on too long.
Gonna play my cards upon the table,
Can't hold back this Love for so long, I can't carry on.

Can't explain how I feel,
It's a feeling so real
It's just the things that you do,
That got me so in love with you.
Can't explain how I feel,
It's a feeling so real
Its just the things that you do,
That got me so in love with you.

There's been, times I think I'm goin' crazy
Can't go on when your not around
And I no that I will always love you baby
This is fate I feel it inside finding you was right.
Touching, kisses, when we are together, you've been holding me all night,
I hear, no fear, of me leaving baby, and I promise your love will always be my special love.

Thinking bout the first time I meet you,I felt so in love with you,
Wondering will you be the one in my life,
'cause I'm needing you.

Got me so in love with you!

That you that you that you that you do to me,
Oh I love you oh I need you, yeah,
Got me so in love with you!
