Skinny Dippin

Edens Edge

I warned you that the tank was low
Shoulda stopped for gas 10 miles ago
Back in Prairie Grove
Now we're stuck, just our luck
It's too hot to say I told you so
But I told you so
As I recall my Uncle Paul talked about a swimming hole
Not far from here
There's no iced tea, no AC
I guess we'll just have to cool off naturally
CHORUS
Close your eyes
Uh-uh no peeking
Are you thinking, what I'm thing
Wanna go-o-o-o-o-o
Sweet temptation in the cool blue water
Probably shouldn't but I think we oughta
O-o-o-o-o-o-oh
It ain't no thing, pretty sure it ain't no sin
Let's go skinny dippin
You're a boy and I'm a girl
But I ain't scared to give it a whirl... if you're not
Hang our clothes on a big oak tree
Let's just hope nobody sees... but if they do so what
You say one
I'll say two
Right on three just me and you in our birthday suits
CHORUS
Close your eyes
Uh-uh no peeking
Are you thinking, what I'm thing
Wanna go-o-o-o-o-o
Sweet temptation in the cool blue water
Probably shouldn't but I think we oughta
O-o-o-o-o-o-oh
It ain't no thing, pretty sure it ain't no sin
Let's go skinny dippin
Birds and bees and frogs are free
You should come along with me

You and me going fishin' in the dark
Lying on our backs and counting the stars
Where the cool grass grows
Down by the river in the full moon light
We'll be falling in love in the middle of the night
Just moving slow
Feels so good to be with you
CHORUS
Close your eyes
Uh-uh no peeking
Are you thinking, what I'm thing
Wanna go-o-o-o-o-o
Sweet temptation in the cool blue water
Probably shouldn't but I think we oughta
O-o-o-o-o-o-oh
It ain't no thing, pretty sure it ain't no sin
Who's gonna know when we got dry clothes
Let's go skinny dippin
