I See The Rain

Marmalade

Beautiful day, I'd like to lie on the green lawn
The ducks are congregating round and round the lily pond
And the cows have all gone
Runnin' home to put their coats onStay indoors while it pours till tomorrowI see the rain again, I must complain again
Why does the rain let me down?
Will you try to make it sunny in the morning?Five to ten and now it's time for the weather
Sun will shine and in its time get better
But it won't last for long
Clouds are spreading over London townStay indoors while it pours till tomorrowI see the rain again, I'll take the blame again
I see the rain lets you down
But I'm gonna' make it sunny in the morning?Stay indoors while it pours till tomorrowI see the rain again, I'll take the blame again
I see the rain lets you down
But I'm gonna' make it sunny in the morning?
