Nba 2K2

R.O.C.

I got the rock I'm bringing it down so watch the clock i'm scoring any second now you can't trap me and you can't
get at me please don't even reach cause the crossover's nasty you see how I pick and roll then I spin on em' and no look down
low alley hoop then hurry up and get back on th de cause I'm not about to let the same thing happen to me still shot blocks
rejections head check bad past interflection fast break in the opposit direction coming down with the 2 on 1 look out swing
the ball out to the wing the game in a clutch so I put the tray up that's all day you can't stop my jay it's NBA2K2 let's
play.
you can't guard me you can't stick me you can't hold me you can't get me all day my jay is on and all day my game is on
you can't guard me you can't stick me you can't hold me you can't get me all day my jay is on and all day my game is on
fast breaker play maker dub for double lay up we run the game 23 won't play us it's zone de IV couldn't jay we couldn't get
back down by the Lakers we set traps ya'll ballers couldn't breakus start with the head faker then I take a future hall of
famer to many moves you reach and you lose is it the shoes the shoes it's gotta be the shoes the crowd is screamin with
amazement run around the screen hit the shot while i'm fading swish and 1 I got the continuation ref give em' a tech they be
fouling me flagrant I take em' outside I take em' inside top of the key I take em' to the baseline to the left crossed em' to
the right take flight I'm doing this all night
You can't guard me you can't stick me you can't hold me you can't get me all day my jay is on and all day my game is on.
