

# I Think of You

Easton Corbin

Every mountain that I climb  
every river that I cross, I think of you  
When I'm on top of the world or on some lonely road,  
I think of you  
Doesn't matter where I go, or what I do  
I think of you  
Every single time  
You're always on my mind  
I think of you  
I think of you  
And it all comes rushing back  
All the good times that we've had  
I think of you  
I know you're better off where you're at  
And there's nothing I can't do to change all of that  
When I wake up in the morning and before I fall asleep  
I think of you  
When I hear that song oh I can't help but smile  
and think of you  
Wonder if it makes you think about me too  
I think of you  
Every single time  
You're always on my mine  
I think of you  
and it all comes rushing back  
all the good times that we've had  
I think of you  
and I know you're better off where you're at  
and there's nothing I can't do to change all of that  
still I think of you  
and all the world ??? what might have been  
but I wouldn't give if I could do it all again  
I think of you
