Beaver Patrol

Pop Will Eat Itself

Attention young ladies, attention young ladies
Attention young ladies, attention young ladiesMy favorite way of getting kicks
I go down town, I hustle chicks, beaver patrol
(Beaver patrol)
A Rolls Royce, a limousine
The girls all groove for my machine, beaver patrol
(Beaver patrol)I cruise the drive-ins of this town
Not once has a girl shot me down, beaver patrol
(Beaver patrol)
One good thing that's on my side
It's a big bad car, it's out of sight, beaver patrolBeaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)
Beaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)Some more, give me some moreThe beaver patrol sees lots of action
Oh, I do love that satisfaction, beaver patrol
(Beaver patrol)
In this game, you don't need muscle
All you gotta do is hustle, beaver patrolBeaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)
Beaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)I pull in the drive, I shut off the key
I say to the girl, "Will you sit by me?"
I say to her, "Darlin' what's your name"
I say to myself, I'm proud I cameShe's trying to make me happy
With all her might
But all you gotta do, honey
Is make me feel alrightMy favorite way of getting kicks
I go down town, I hustle chicks, beaver patrol
(Beaver patrol)
One good thing that's on my side

It's a big bad car, it's out of sight, beaver patrolBeaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)
Beaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)Beaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)
Beaver patrol
(Cruisin' on the beaver patrol, I love that beaver)
Beaver patrol
(Cruisin' on the beaver patrol, I love it, love it, love it)How do you keep your wheels spinning
When the beaver's grinning, eh? I'm out
