Wrapped Around Your Finger

Dan Hill

Well, you tease a lot when you're talking to me.
So hard to know when to believe you.
So here I am, I'm calling you, down on my knees
I just can't sleep at all (just can't sleep).Oh no, it's getting late, talk to me.
I just can't sleep at all.I'm wrapped around your finger
Like a puppet on a string.
Girl, I get this sinking feeling.
Am I losing you again?I've buried all my tears now, you set them all free.
Are you gonna bleed me like a stone (bleed me like a stone)?
You cast a spell, you drew me in, then you walked on me.
I just thought you should knowI'm wrapped around your finger (wrapped around you)
Like a puppet on a string (like a puppet on a string).
Girl, I get this sinking feeling.
Am I losing you again? (am I losing you?)(wrapped around your finger.)Oh no, it's getting late, talk to me.
I just can't sleep at all.
I'm wrapped around your finger (wrapped around you).
I'm your puppet on a string (like a puppet on a string).
I get this sinking feeling (I'm wrapped around you).
I'm losing you again (am I losing you again?).
Am I losing (wrapped around your finger) you again? (am I losing you again?)
Am I losing you again? (am I losing you again?)
Wrapped around your finger
(am I losing you again?)
Am I losing you again?
